

Krinkle Kats

BY DR. KRINKLES

Ever wonder what a bunch of cats are up to if you leave them alone?

Well now you can find out, the Krinkle Kats all belong to one of them old Cat ladies.

Yeah, Lil ol misses Krinkles ended up having 9 cats, she figured maybe if she has 9 she could live a longer life. A day's life of a Krinkle Kat consist of them sleeping while she's awake and then when she sleeps for 18 hours a day their adventures begin!

From sneaking out of the house to catch the latest blockbuster movie, to making a huge mess

These cats are curious and cute, courageous and cuddly.

Lilly

Cute and Innocent, Lilly is good at keeping herself occupied. She's always up for any sort of adventure a good sport and easy to please.

ORK

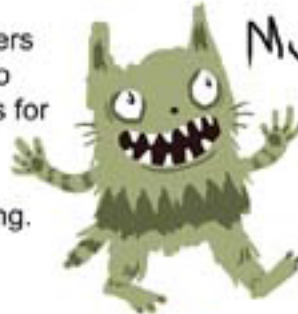

Always thinks of himself as the leader, and tries to get the other cats against Klasp. Ork's dirty tricks never workout, but that doesn't stop him from thinking up another evil scheme.

Klasp

A hip Cool Cat that has all the others looking up to him. Klasp loves to be a leader and think up new plans for the Krinkle Kats to do. he's not the smartest but can smooth talk his way out of anything.

Muss

Always seen with his best friend itcha. He can make a mess out of anything. Muss is loud and abnoxious he often tells rude jokes and will follow the lead of Ork.

Shurm

The most devious of the crew, Shurm often brings trouble to the Krinkle Kats home. he doesn't speak much but laughs more then enough to make up for it. Shurm also is known to be selfish and eat everything in site.

itcha

Itcha is a brown noser, looking for attention. He hangs out with Muss all the time, since he's the only one that can handle how bad he smells and itchy he feels.

Chalko

The Go to Cat for Klasp to get things done. Chalko loves to impress and help out, She has a crush on Klasp, but never will admit to it, even though its obvious to all the others.

MURFY

The clown of the crew, Merfy marches to his own beat but will help out when needed. Everyone seems to like Merfy, he's also a secret detective on the side.

Nills

Nervous and anxious, Nills is a fraidy cat she loves video games and junk food. She'd much rather stay inside then ever go out. She's also the smartest cat but as the saying goes, the less you know better off you are.
